

July Newsletter

Dear Parents,

We're excited to kick off a fun-filled and engaging summer school session!

Our summer program is designed to keep young minds active through playful learning, hands-on activities, and plenty of outdoor exploration. From arts and crafts to water play and storytime, each day will be packed with opportunities for your child to grow socially, emotionally, and academically—all while having a great time!

Please be sure to check your emails and classroom updates regularly for important reminders, special event days, and anything your child may need to bring. We're looking forward to a season full of sunshine, smiles, and learning!

Thank you for sharing your child with us this summer. Let's make it a memorable one!

Warmly,
GMAIS Admin

Drop – off Procedure (Chatan Branch Only)

For the safety and smooth operation of our daily routine, we kindly request that all children be dropped off at the front door only.

Our staff will be present at the door during drop-off hours to warmly welcome your child and escort them safely into their classrooms.

Why this change?

- To ensure the safety and security of all children.
- To minimize congestion and maintain a calm start to the day.
- To help foster independence in our students.

We appreciate your cooperation and understanding in helping us maintain a safe and efficient environment for everyone.

SUMMER WELLNESS AND HYDRATION

With summer now here, we all try to dress to best survive the hot weather.

- Clothing and footwear become skimpier. We ask for your help in keeping your child injury-free by dressing them in sneakers or sturdy sandals. Backless sandals and flip flops are particularly hazardous and should not be worn. We do a lot of running and climbing and your child's feet need support. Thanks for your help!
- All children can also use the protection of sunscreen. It's a great idea to make it a part of your morning dressing routine.
- Stay cool and healthy during these warm summer days. Remember to stay hydrated, protect yourself from the sun, and enjoy light, refreshing foods. Let's take care of ourselves while soaking up the sunshine.

REMINDERS

Illness Policy Reminder:

Our parents are vital partners in helping us to maintain a safe and healthy environment for the students in our school. The most important thing you can do to assist us in creating a healthy environment is to keep your child home if they are ill. This reduces the spread of illness and allows your child to fully recuperate. Children may not attend school until they have been symptoms free if they display any of the following:

- 
- 
- Fever of 100 degrees Fahrenheit or more – must be fever free from 24 hours with no fever reducing medicine before returning to school.
 - Vomiting, diarrhea or stomach upset
 - Skin rash
 - Head lice
 - Symptoms of a communicable disease
- 
- 
- 

REMINDERS

- 
- 
- 
- 
1. School will be closed on Friday, July 4, 2025.
 2. Tanabata Festival on Monday, July 7. We kindly request that your child come to school wearing a **yukata** (light summer kimono).
 3. School Calendar for School Year 2025 - 2026 is already posted on the Parent Portal.
 4. Enrollment for Extra- curricular activities is still open. For more details, please visit us in the Admin Office.
 5. If you have any concerns regarding your child's classroom experience or anything related to the school, please don't hesitate to inform the Admin Office directly. Your feedback helps us ensure a safe, nurturing, and positive environment for all our students.
