

# April Newsletter

As we celebrate this joyful season of renewal and hope, we want to take a moment to thank all of our wonderful families for their continued support and involvement in our preschool community. This time of year reminds us of the beauty of growth, kindness, and the joy of new beginnings - lessons we see our little ones embrace every day.

We hope this Easter brings moments of peace, happiness, and cherished memories with your loved ones. May the springtime blooms and the playful spirit of the season fill your hearts with joy!

Thank you for sharing your amazing children with us. We are so grateful to be part of their learning journey.

Wishing you and your family a very Happy Easter!

# FRIENDLY REMINDERS

- For those who haven't submitted the recent Medical Records of their child/ren, kindly submit the medical form not later than April 30, 2025.
- General Cleaning Day is every last Friday of the month. Pick - up your child/children on or before 5:00 p.m.
- Enrollment for Extra Curricular activities is still ongoing. Please visit us in the Admin Office for more information.
- We understand that drop-off and pick-up times can be busy, and finding parking spaces can sometimes be challenging. As a result, we kindly request your cooperation in adhering to the following guidelines to facilitate a smoother flow of traffic and ensure the safety of everyone:
- **Limited Parking Spaces:** Our school parking area has limited spaces available. We kindly ask that you avoid staying in the parking area for extended period of time after drop-off or pick-up to allow other parents to access these spaces efficiently.
- **Drop-off and Pick-up Efficiency:** Please make every effort to drop off or pick up your child promptly. If you need to have a conversation with teachers or staff, we encourage you to schedule a meeting at a mutually convenient time to avoid congesting the parking area.
- **Consideration for Others:** Be mindful of other parents who are also waiting to drop off or pick up their children. Avoid blocking traffic flow or occupying parking spaces for longer than necessary.
- By adhering to these guidelines, we can collectively contribute to a safer and more efficient drop-off and pick-up experience for everyone involved.
- We appreciate your understanding and cooperation in this matter. If you have any questions or concerns, please do not hesitate to contact the school office.
