JANUARY 2026

Dear GMAIS Parents and Guardians,

As we welcome the New Year, we would like to take a moment to reflect on the past year and express my heartfelt gratitude to each of you. Your trust, support, and partnership mean a great deal to us, and it is truly an honor to be part of your child's early learning journey.

The past year has been filled with many special moments—first friendships, new words, growing independence, creative play, and countless small achievements that together make a big difference. Every smile, question, and discovery reminds us of how important these early years are. We are grateful for the opportunity to nurture your children in a safe, caring, and stimulating environment where they can grow academically, socially, and emotionally.

As we step into the New Year, we remain committed to providing a warm, engaging, and developmentally appropriate learning experience for every child. Our dedicated teachers and staff continue to work with passion and care to support each child's unique strengths, curiosity, and love for learning. We look forward to introducing new activities, experiences, and opportunities that will inspire confidence, creativity, and joy in the months ahead.

We also deeply value the strong partnership we share with our families. Your involvement, communication, and encouragement play a vital role in your child's success, and we truly appreciate your continued cooperation and support. Together, we can create a positive foundation that helps children feel secure, confident, and excited to learn.

On behalf of the entire GMAIS community, we wish you and your family a New Year filled with good health, happiness, and meaningful moments. May the year ahead bring growth, laughter, and wonderful memories for you and your children. We look forward to continuing this journey with you and sharing many more milestones together.
