JUNE NEWSLETTER

JUNE 2025

Dear Parents,

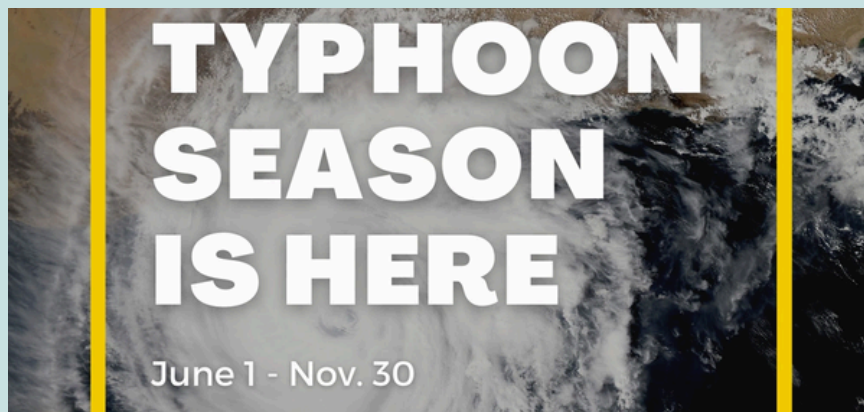

Happy June! As we welcome the summer sunshine, we also reflect on the wonderful growth and joy we've seen in our classrooms over the past few months. Your children have blossomed in so many ways—learning new skills, forming friendships, and growing more independent each day.

June is a time of celebration and transition. Whether your child is heading off to kindergarten in the fall or returning for another year of preschool, we are so proud of everything they have accomplished.

Thank you, as always, for your continued support and for sharing your little ones with us. Wishing you all a safe, sunny, and joy-filled start to summer!

Warm Regards,
GMAIS Admin

In light of the upcoming typhoon season, we want to ensure that everyone is aware of the procedures and guidelines regarding school closures to ensure the safety of our students, staff, and their families. Please read the following information carefully and keep it for future reference.

School Closure Guidelines:

- **Monitoring Weather Conditions:**

Our school administration closely monitors weather updates from the local meteorological agency and government advisories. Our typhoon policy mirrors the military bases since the majority of our students are within or connected to the military community.

- **Before School Hours:**

If a typhoon warning signal (TCCOR- 1C) is issued before 6:00 AM, school will be closed for the day.

Notifications will be sent out via SMS, email, and the school's official social media channels.

- **During School Hours:**

If TCCOR- 1C issued while school is in session, parents will be notified immediately via SMS, email, and social media updates to pick -up the child/ren in school.

- **Communication Channels:**

SMS and Email Alerts:

Please make sure that the school has your current contact information on file to receive timely updates.

- **Social Media:**

Follow our official Facebook page for real-time updates.
