OCTOBER NEWSLETTER

**OCTOBER
2025**

Dear Parents,

As the crisp autumn air settles in and the leaves change their beautiful colors, October is a wonderful month for exploration and learning! This month, our classrooms will be filled with activities celebrating the season, including pumpkin-themed projects, fall crafts, and stories about harvest and nature.

We encourage children to embrace curiosity and creativity as they engage in hands-on activities that support early literacy, math skills, and social-emotional growth. Outdoor play is especially delightful this time of year, and we'll be taking every opportunity to explore the changing environment safely.

October also brings opportunities to practice gratitude, kindness, and community. We appreciate your support in reinforcing these values at home as we continue to nurture a love of learning in your children.

Wishing you a joyful and colorful October!
