

Dear Parents and Guardians,

As we approach this season of gratitude, we want to take a moment to reflect on the incredible community we have built together at our preschool. This month, we celebrate not only the warmth of family and friends but also the joy of learning and growing alongside your wonderful children.

I am thankful for the smiles, laughter, and creativity that fill our classrooms each day. It's a privilege to watch our little ones explore new ideas, make friendships, and discover the world around them. Your support and involvement make all the difference, and together, we are nurturing a love of learning that will last a lifetime.

As you gather with loved ones this Thanksgiving, we encourage you to share the things you are grateful for.

Whether it's a favorite memory from school, a special moment with friends, or simply the joy of being together, these moments are what make this time of year so special.

Wishing you all a joyful and restful Thanksgiving!

Warm Regards,
GMAIS Faculty and Staff

IMPORTANT REMINDERS

FIELD TRIP

Field Trip Reminder for Little Shakespeare, Einstein, and Kindergarten Classes

We're excited to remind you that our upcoming Field Trip for the Little Shakespeare, Einstein, and Kindergarten classes will take place on Friday, November 14, 2025!

 Destinations:

DMM Kariyushi

Little Universe

This will be a wonderful day of exploration, creativity, and learning outside the classroom.

Please ensure your child:

Arrives at school on time (departure will be promptly announced by the teachers)

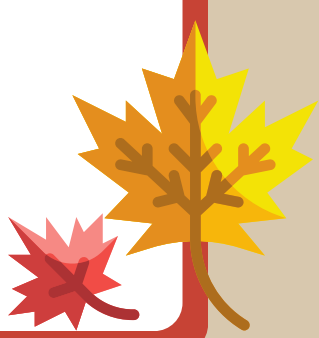

Wears the school uniform and comfortable shoes

Brings a packed lunch, water bottle, and any other items indicated by your child's teacher

EARTHQUAKE AND TSUNAMI DRILL

This is a friendly reminder about our upcoming Earthquake and Tsunami drill scheduled for 10 AM on Nov. 5, Tuesday. Please ensure that you drop off your children on time so they can participate fully in this important safety exercise. Thank you for your cooperation!

Illness Policy

Our parents are vital partners in helping us to maintain a safe and healthy environment for the students in our school. The most important thing you can do to assist us in creating a healthy environment is to keep your child home if they are ill. This reduces the spread of illness and allows your child to fully recuperate. Children may not attend school until they have been symptoms free if they display any of the following:

- Fever of 100 degrees Fahrenheit or more - must be fever free from 24 hours with no fever reducing medicine before returning to school.
- Vomiting, diarrhea or stomach upset
- skin rash
- Head lice
- Symptoms of a communicable disease (flu, COVID, HFMD, Impetigo, ETC.)
